

## Rosetown 5-Pin Bowling Association

**Purpose of the Organization:** The Rosetown 5-Pin keeps stats on all bowlers throughout the bowling season. Awards and recognition for bowling milestones such as a perfect game or high single or triple games, best teams in each league, for example, are given by the 5-Pin and these stats are then forwarded to the Provincial 5-Pin Association which then presents their own awards to the best in the province.

As a member of the 5-Pin Association, bowlers are eligible to participate in tournaments in the zone, provincial and national level. The Rosetown 5-Pin Association organizes local and zone events.

**Participants:** Everyone is welcome, no experience necessary.

**Programs and Services:** In coordination with the local bowling center, clinics are held to teach new bowlers, young and old, and help league bowlers hone their skills.

The regular bowling season runs from September to mid-April. Yearly fees are \$9.00 to be a 5-Pin Member. Bowling shoe rental is available at the bowling alley. No equipment is required to participate.

**Special Events:** Cash tournaments are held throughout the year.

**Accomplishments:** In 2005 the Provincial Hi-lo Doubles Tournament was held here. This was a first time in Saskatchewan that a six lane house hosted this event, as it was always considered too small of a venue. It was a huge success! Compliments from bowlers were that it was the best Hi-lo Doubles Provincials ever!

**Bowling Alley:** The Ball & Pin House, 117 1<sup>st</sup> Avenue West, (306) 882-4455
