

## Beta Sigma Phi

***Purpose of the Organization:*** Beta Sigma Phi is a non-academic sorority with 200,000 members in chapters around the world. The sorority was founded for the social, cultural, and civic enrichment of its members. Beta Sigma Phi is primarily a social and cultural organization that incorporates service as part of its activities. The motto for Beta Sigma Phi is Life, Learning and Friendship. Service is done locally and internationally. The cultural programs are important in Beta Sigma Phi. Through these programs each member is encouraged to grow personally, while at the same time participating in the growth of her sisters. They are designed to broaden personal knowledge and understanding of self, friends, and the world. As a member of Beta Sigma Phi it is in our nature not only to give the best that is in us to ourselves and our sorority, but to give the best that is in us to our world.

***Participants:*** Membership is by invitation and is open to women of all ages.
