

Red Hat Society

Purpose of the Organization: As a group The Red Hat Ladies celebrate the joys of aging gracefully and playfully. We believe silliness is the comedy of life, and since we are all in it together, we might as well join red-gloved hands and go for the gusto together.

Participants: The targeted age of the women as a group is 50 years of age and up, although, younger ladies who have yet to turn 50 are also welcome.

Programs and Services: The Red Hat Society began in California in April 1998 as a group for women over 50 who enjoy dressing in purple outfits and red hats. The younger sisters who have not attained that magical age are called pink hatters and dress in lavender outfits and wear pink hats. The Red Hat Society has grown by leaps and bounds and is represented in all 50 US states and at least 36 countries around the world (including Canada). Other than wearing your favorite red hat and purple outfit there are no set rules for being a Red Hatter and the main purpose of all chapters is to just have fun and enjoy life spontaneously. Each chapter decides how often they will meet, where the meeting will be held and what kind of fun will be had at the meeting. The first Red Hat Chapter in Rosetown was formed in September 2004 and was named the "Ramblin' Rosies" with Myrna Macdonald as Queen. The second chapter "Rose Buddies" was formed in September of 2005 with Co-Queen Lydia Hare and Debbie Bodnarchuk. Together there are approximately 30 members having fun.
