

Name of Organization: Rosetown Angels Senior Men's Baseball Team

Purpose of the Organization: To compete in senior baseball league play, tournament, and provincials.

Target Participants: Any interested male baseball players in and around the community.

Description of Programs/Services provided (i.e. drop-in activity or registration; corresponding fees & registration dates; schedule - days/start & end times/season or time of year; facility or facilities used; equipment required to participate).

Please describe each program or service that your organization provides. Use more space if necessary: The Angels begin to practice in May and league games start in June and we play into late July or early August. The registration fee is around \$150 per player. We play our home games on the senior mens baseball diamond located behind the Sask-Can Center.

Does your organization host any special events in addition to your regular programs & activities (i.e. guest nights, tournaments, shows or clinics)? If so please list & describe below: We plan to host a tournament in Rosetown from June 24-26. Also we will have at least one provincial playdown game in Rosetown in July sometime.

Blow your own Horn! Any recent accomplishments of your organization - locally, provincially or beyond! Any famous alumni? The Angels played their first season in a few years in 2010. It was a successful season where we competed well in provincial A2 playdowns and won the "B" Final in a 8 team tournament in St. Paul, Alberta.
